HI Janusz,

█████ says she could use your help at the house, but hasn't really seen =ou at all while she's been there. Also, there was nothing in the fridge =or her. If we know there will be someone at the house for any reason, =e should at least put some basics in the fridge, some milk, fruit, etc. =t doesn't need to be much, but there should be a little something for =hem there.

She has a bunch of laundry to do for the big plane that she would like =one so she can put it back on the plane before she leaves. I understand █████is sick. Can you please help █████with this? Thanks
