Hi Larry. Did you end up staying in 4M tonight? I was wondering if you have t=me, and only if you have time, if you would mind disconnecting the Bose sys=em in the living room for me. I need to send it to Story in PB when I get h=me and I'm not sure I trust myself to disconnect it properly. If it's too m=ch trouble, don't worry. Just thought I would ask if you were there.
