Hi Anthony,
Was just wondering if you have any =pdates on dividing █ with curtains and a column as we =iscussed?
Thank you,
Karyna

We can build the =olumn no problem. I would contact a curtain company to measure =manufacture and install.
I don't know of any.

Hi Anthony,

Attached please find a picture with a new =dea from Mr. Epstein for the separation of the studio apartment 8A. it =ould require a curtain pole and a column like on the photo. Mr. Epstein =ould like to proceed with it please.

Please =dvice what would be the next step.

Thank you!

Karyna
