JE went in again to ask them and they gave us some number of the main shop on rue Fauberg St Honore, when I called they put me through to so many different people and eventually the lady came back and said they don't do such a thing...she seemed very shocked that I would even ask!! . But I still think it is a good idea to email the other lady...maybe we will have more luck...let me know if you want me to do it or if you will do it, will you cc me if you do, Thank you !!!!!
