For Chill Room, we need a piece of furniture to cover =he wires and conduit cords coming out of the wall
Peachy gold fabric =o cover the extension pole on chandelier(I've ordered a bunch of =amples of this fabric to look at on site)

Art for the chill room =alls

A new flat screen TV with wall mount for Chill =oom

Fabric to cover the movie room chairs with(JE to see the =ark blue Nobilis fabric on site)
A collection of something to fill =he book shelves in the movie room

Napkins and flatware for flag =ool kitchen

The measurement for the rugs for master dressing =rea is 4'x3', so technically they aren't square
Also, you said he =oesn't like the lamps in room 2?? the blue ones from Paris? Is this =ccurate?
