Coolio! I'm not sure when I will be back in ny. I might have to go back to L=J next week but should be back in ny at least by late next week. I was just=looking at the form I have to fill out for your visa and it requests how mu=h I've made in the business, how much I have in bank account to show I can p=y you and what your salary will be. I think I should open a business accoun= first. Im a bit worried about tax returns as I have never claimed that I h=ve made money with the business. I suppose if I show I have money in accoun= and will be claiming earnings on my next tax return. I will have to discus= with Je and Arda I guess.
