Well obviously if we need them to work,=then they will work. Did you need them in NY? I didn't. If you did, then fi=e. But otherwise what difference does it make when they take their days. Of=course they take them when we don't need them and when JE is not there.&nbs=; I will tell them to take Mon, tues, wed then to get them caught=up unless JE needs them to work any of those days.

He menti=ned he was planning to go to LSJ on wednesday, then back to Paris from ther=. Do you know how he's planning on getting there and back? Will he go throu=h ny?

When I was coming back to NY o= Sunday, I phoned [REDACTED] and Jojo because he said if you and I are coming int= NY he wants Jojo to drive. [REDACTED] said:

' we are ba=k from our vacation but are still owed days off so we worked last week Tues=ay and Wednesday and we will work this coming Tuesday and Wednesday (meanin= 23rd and 24th) but then we will be off Thursday and Friday'

I told him this and he said they can take their days off=when I say they can, not when they choose.

I=mean...he knows how we feel about them counting there days obsessively but h= is the one that has always protected them...

I'm working on list now.

[REDACTED] and Jojo=nbsp;were still owed 5 days off before they took their vacation from Aug. 1=15. They worked Aug. 16 and 17th and took off the 18 and 19th. They are sti=l owed 3 days off. They are planning on taking tomorrow off, working Tuesda= and Wednesday, then taking off Thursday and Friday. They will then be caug=t up with their days off owed to them.
