I only ask because he was doing some samples for 71st =his week, and I mentioned I needed my apt painted and asked when his =riend Michael(the painter) would be back in town. Ion then asked me if = had considered doing venetian plaster, which is something Ion would =o. I don't want to consider it if Ion is much more expensive than =ichael for a normal paint job, but if it's not, then I would love to do =enetian plaster. can you pls let me know? thanks!
