I did, but I had to change the name to who it was addressed to, so I wrote it on the other clear check I had with me.

I read the instructions for the dental licensure board and you needed to provide a \$200 certified check or a money order they won't accept a personal check. Daphne is going to get a money order at the post office tomorrow

and put the package on the Seaborne seaplane and I will have a friend on mine pick it up, deliver it to the Board office, get it stamped and send us the stamped copy. Is this fine with you?

With warm regards,

Cecile
