Thanks Eva,
I did ask the person in the building, he was the one who gave me the real estate number, but he could not show me anything himself.
I did not see the number on the roof though, will check it out.
Thank you!

Hi [REDACTED]

I don't have the contact but the building has a gigantic sign on the roof with the phone number to call.

You can also just walk into the building and someone there could show you space. I am not sure they have office space available. I have only looked at apartments in that building. <=:p>

Best,

Eva
