Hi [REDACTED] Thank you and Jeffrey. =ve been working on portrait. it's been a great learning experience. =m having some issues with techniques of getting skin smooth. Master =rtist Steven Assael said he would help with technique but he has a big =how coming up at Forum this week. so week after next I could =tart visiting him to learn more. He's one of my mentors, this will be =n honor to learn more from him.

Glad you got plan for artwork for =ondos. I still have ideas brewing in my mind. Winter is here and I wont =e out painting. More in my studio now because of cold. I want to =evelop some small rough sketches with color. i'll play with those =or fun and send to you guys. No commitment, i just want to sketch out =hese ideas. I need more time in a day :) So much to do and =xplore.

Could =lease ask Jeffrey or someone in charge of scholarships to tell Lisa at =YAA that Jeffrey is giving me more time?
