We have this at 71st on the 5th floor. We don't have a use for it as now we w=ll be putting the giant TV from LSJ in the same room and this is too small f=r TV stand for that TV. Do you think it could be nice for chill room TV con=ole? It's hammered looking wood with white leather front drawers and doors.=It's 67" wide, 19" deep and 34" tall
