Hello Ladies!

In a matter =f avoiding asking JE about food preferences (specific items for =pecific guests) I would like to create a list with all the guests who =re coming to dine here and the list of food they would eat.

Karyna, when you are here, we will go through it, to make =ure it's all understandable and easy to follow.

I believe this will help us know some "safe areas" where we won't get wrong with the choice;)
