Hi Steve,

So Francis cooked tonight for a dinner for Jeffrey. Jeffrey wasn't very enth=sed. He thought it was a bit bland. Granted JE told him he wanted very ligh= and healthy, so that's what he got! It definitely could have been kicked u= a notch. I would like him to do another dinner where he just goes for it, n= "light and healthy" restrictions type thing. JE is leaving town on Saturda= night, so it will need to be after he returns to NY.

Also, I wasn't sure how to handle compensation for his cooking tonight; how m=ch, etc?

Thanks again for your help.=?xml version=.0" encoding=TF-8"?> <!DOCTYPE plist PUBLIC "-//Apple//DTD PLIST 1.0//EN" "http://www.apple.com/DTDs/PropertyList-1.0.dtd">
