[REDACTED] I have put below an order list for Atlantic Grill. Last time Peter Thiel saw JE, he said he wasn't so strict about about his diet any longer, so we might need a new list for him for the future, or maybe no list at all:)

As for pasta and meal with sushi, I wouldn't serve it together, but it is up to Jeffrey of course:)

[REDACTED] is [REDACTED] not at the house yet to help with the food?

Here is my suggestion for the order:

Sashimi:

Hi [REDACTED]

Yes, 12pm is a tricky time for sushi. I don't know of any other decent sushi  
around that opens earlier than Atlantic Grill. Sometimes we did Kappo Masa for lunch, but they open at 12pm. Atlantic  
Grill usually takes 30 min to get the order ready, meaning they would have it ready for pick up around 12pm... /span>

list for Atlantic Grill?

Hi Karyna...we need to order some sushi for a 12pm lunch today....do you still order from Atlantic Grill? or where does JE like sushi from these days? Atlantic Grill kitchen doesn't open until 11:30am which makes getting sushi here for soon difficult...

Also, if you could provide me a list of what he is liking these days that would be helpful also.
