Subject:	apartments...

Morning Karyna...we will need to do some apartment shuffling ███████ is staying in NY until Tuesday and we have the Toylo's =oming to NY tomorrow. Do you prefer to move ██████ to 11P and put the =oylo's in 8A? Or keep ██████ in 8A, temporarily put Toylo'= in 11P and then move them to 8A?

I spoke with ██████ yesterday and told her we may need to move her =E2 she is aware and totally fine with moving and said she =oesn't care if there are a few boxes around and no curtain =round the bed! She just does not want to go back to 3M and I don'= want to put the Toylo's in 3M...

We have Sonam set to clean 8A and 3M tomorrow...we can of course =hange this. Up to you as you know the situation over there better than = do when it comes to 11P. We need to put someone there, its just the =uestion of who ...

Let me know. As it stands now the Toylo's believe they are =taying in 8A.

Thanks! Lesley=?xml version=.0" encoding=TF-8"?> <!DOCTYPE plist PUBLIC "-//Apple//DTD PLIST 1.0//EN" "http://www.apple.com/DTDs/PropertyList-1.0.dtd">
