Hi ion, sorry it took so long to get back to you. I spoke with Jeffrey just now. He likes the middle orange sample.. the lightest one for my office at [REDACTED]
He also said I can have you do venetian plaster in my apt!! Yea!! Would you be able to come to my apt in the morning and have a look and we can discuss and have you do a sample? I want it to be a rough texture of plaster, no wax so it's just rough and matte finish in a light gray color. Let me know if you can come by in the morning and what time. JE said you can do my apt first before working on my office at [REDACTED]
