I am told it is difficult to say the exact =start time for the Central Park shoot... it could potentially be =ever come 4pm! Best to go in the morning...however, Woody =as changed the start time of the shoot to 8am...We =ill have ██████ meet you at 7:30am at your apartment and then go on =o the shoot with you...it may wrap up as early as 10am!...it =s a 'play it by ear' scenario!

But if the Central
Park shoot starts not to =early, say 4pm+, it would be even better

Hello Misha. I have been =sked you only attend one shoot tomorrow as it is hard to =ccommodate a guest for 2 shoots. I am told the Central Park shoot may be more interesting! They will have a =orse and carriage for the shoot. But whichever is best =or your schedule is what you should do! Please let =e know which shoot you would prefer to attend. Thanks, =esley
