Unfortunately most of those sushi places =ou see on seamless, like Ko sushi and others are very different quality =nd I would not be comfortable serving it to Jeffrey or his guests. =tlantic grill and Kappo Masa are some of the few better option open for =unch time in our neighborhood, Tao also opens at 11:30. There are some =ery good sushi places like Sushi of Gari, Tanoshi, Sushi Ishikawa, =ushi Seki that are only open for dinner, and out of these place only =ushi of Gari and Sushi Seki actually accept take out orders. With that =aid, I would love to have more good quality take out options for lunch, =nd if I find something else, I will definitely let you know.

I would hate to order from here and it be lousy! Just =omething to think about...
