I see!  
It's going to take them 1 hour to deliver.  
I guess I just need to place an order at 5:30pm?

Hi [REDACTED]

We can get sushi from Ebi Sushi via GrubHub and they deliver - would that be OK if I send the order to you, Julia and you can place an order via GrubHub?

Also, just to let you know that they arrived 20 mins late, so they may not be leaving here until 11:20am or so. Thank you!
