[REDACTED] is trying her best to keep the house clean . =C2 she said you girls make a mess and rarely clean up after yourselves.=C2 this is unacceptable she said she has tried to smile and be friendly only to be met with stares. she is an important part of the house and I expect that if you would like to sit in the kitchen you try to make an effort to be pleasant and without = doubt it is your responsibility to clean after yourselves. I will not be happy if i hear this again.
