This is different! This is a QUICK in and out guest—we need to accommodate...not ideal, but we will handle it! Ion=Nicola, Jeffrey's painter who has been on the island, will travel =rom the island to NY tomorrow ...he wants to spend the night in an a=t and do the rest of his traveling home to Bucharest on Monday...Jef=reyn said ok...so we are now all scrambling to make it happen. A6I have changed his ticket, but we need the apartment for him tomorrow an=mondya...I have let [REDACTED] know they now need to clea= 3M on Tuesday (not Monday) All good!
