OK, we'll arrange the 29th. Keep the evening free. We'll =et you instructions, etc. Basically, you will go, they will feed you. =Hopefully, you have no food allergies right?) You will be accompanied =y geisha (In Kyoto, they are called "geiko") and Maiko =ho will hang out with you. After the meal, they will dance for you. You =an ask them anything, about Kyoto, their lives, their art, food, etc. =any of them are very funny and interesting. Some don't speak =nglish well, but some do. :-)

The best "typical" =80=80 evening includes a dinner and then drinks with geisha and maiko =ncluding traditional Japanese dance. Does this sound good?
