I love you. . I would like you to think about the following, steps involve=. cost. unnecessary time energy, . you=text ana, she texts carlos. 4- 6 round trip boat to stthomas=C2 , gas etc. sometimes car trips. . carrying the foo= to boat, up to house. carlos and ana need to file recei=ts with bella at the end of the month, more time. then amounts check=d and gets entered into accounting bookds . then food (fruits) =A0 , not eaten at all by anyone and almost never by me, now needs to=be put in the garbage. taken by cart, to the garbage landfill.=C2 . all of this with ZERO benefit for me, =A0 the only food i ate was the yogurt i brought from paris, an= the tuna and egg sald that ana made without any direction , t=ough there is that same old shiity processed ham , and packaged smok= salmon, food of the blacks in the fridge. along with five pa=messan cheeses.

I view this as a small cost to the hug= benefit of having you to hold kiss, and squeeze.
