...and she said that the annual premium is \$1,254 from =ctober 1, 2015 to September 30, 2016 re the mal practice =nsurance. They will prorate the premium so they need a check for =1,149.50 for your insurance which will run from November 1, 2015 to =eptember 30, 2016. She was supposed to email me the forms for you =o fill out but has not done so as yet and I've called her back several =imes to remind her. The cap on the insurance is \$250,000, which =s what is required for the VI. If you want more, you can always =et supplemental coverage with a private insurer. Perhaps =ou can keep calling her as well @ [REDACTED]

With warm =egards,

Cecile
