Jeffrey

I stopped by Audio Advisors Car Stereo,

They do not carry tube subwoofers,

They indicated the JLAudio Line subwoofers will blow away any bazooka tube s=b.

Audio Advisors carries self powered Sub Enclosure the have amp installed ins=de,. Some are low profile that will not take up much room is luggage area o= Denali.

I'll send photos of JLAudio line, or do you prefer bazooka tube?

Thx

Larry
