**Subject:** B727 update

Jeffrey,

We should have cost=estimate for Aux tank UFI control box repair for your approval next week, b=st case Scenario is to have B727 back in service end of next week Dec 18th o= Dec 21st area.

Thx,  
Larry </=iv>

---

Larry,&nb=p;  
I pl=ced another call into TDG to get an update but had to leave a message.  
T=ey owe me a quote to conduct a complete check out on the box once they have=replaced the UFI.  
I am waiting on this so I can quote you and get a comp=etion date from them.

I think at this point you should tell the Boss= we are looking at a return by the end of next week.  
I will continue to c=ll them and once I have made contact and have numbers I will be right back t= you.

Regards,

Peter
