Hi [REDACTED] I just got home. It looks amazing!! Thank you so much! I love it!  
The only thing I think that needs to be done is the dark recessed wall in the living room I think should have burnished wax. Also, if it's possible to move the large mirror in the bedroom more to the left so it's centered above the dresser. You are welcome to let yourself into my apt tomorrow..I need to leave by 9am. Thanks again!

hi [REDACTED]

i dont know if you got to your apt yet, ..we've finished it today. if you want to put wax on bedroom walls we can do that too...

sorry we left all the materials and a big bag with garbage in the apt, but we didnt have time..we worked late..it was over 7pm when we left so we ddint know what to do with them.

i thought we were done by lunch but there were so many small things to do..so it took long time.., but if you want we can come tomorrow and get all that stuff and bring it to the other apt or at the house on 71st st

if you want to fix the ceiling in the entry area and a little in the living room, michael said he can do that easy so ..if you are ok with your apt should we just start your office on 71st st?

thank you,
