Wheels up will be 1:30pm on Sunday so you should plan to be at the airport by 12:45pm.

Please let me know exactly how your name appears on your government issued photo ID.

The flight will depart from Palm Beach Airport. The FBO is called Signature Aviation, and the tail # of the plane is N101PV. I will let you know when a confirmed departure time is set, so you know when to be at the airport on Sunday.

When you arrive White Plains airport, the FBO is called Signature West – it is on the side of the airport with the control tower.

If you have any questions, please let me know.

Best,

Amanda

[REDACTED] We are counting on leaving at around 2pm on Sunday. Make sure you have government issued ID with you (preferably a passport). I'm going to check if there is anything you need in regards to the cat. Unfortunately, we only have our small car (a Range Rover that seats 5) at the airport so you need to ask [REDACTED] to pick you up. Amanda will send you all the details.
