Hi Eric,

I a= looking back at the pictures of the sample that we decided to go ahead wit= (I put the red arrows on the photos). It does look much lighter then the f=nished version. Even looking at just the sanded floor: it is much lighter, a=d we agreed on putting just the clear shiny coat. Did your guys put s=omething else on it?

<IMG_3920.jpg>

This is what it looks like now:
