Hi Marc,

I was just speaking with Karen and she said there was an issue with Mr. =lemin this morning picking you up at the Ritz. Apparently he was =aiting for you at the Red Hook docks thinking you were coming from the =slan. I am very sorry about this! We are having no luck with your =rrangements getting you to the airport! I take it you must have taken a =axi to the airport instead? I hope you made it home OK. Again I am very =orry this has happened again!
