&nb=p;...and she said that the annual premium is \$1,254 from October 1, 2015 t= September 30, 2016 re the mal practice insurance. They will prorate=the premium so they need a check for \$1,149.50 for your insurance which wi=l run from November 1, 2015 to September 30, 2016. She was supposed =o email me the forms for you to fill out but has not done so as yet and I'=e called her back several times to remind her. The cap on the insura=ce is \$250,000, which is what is required for the VI. If you want mo=e, you can always get supplemental coverage with a private insurer. &=bsp; Perhaps you can keep calling her as well @ [REDACTED]

With warm regards,
