Subject:	Mirror in 11J

Hi Karyna…when Tess was cleaning the bedroom in 11J the mirror leaning =n top of the dresser fell and shattered. I don't really know who is =aking care of matters like this anymore…I asked Sue and she says =effrey has removed her from the apartment decorating and suggested I =sk you before bothering Jeffrey with this…

-Can you order a replacement?
-Maybe it doesn't need to be replaced? (although a mirror on top of a =resser is standard…i would suggest all mirrors be hung on apartment =alls and not just leaned…too much risk there)

If this is not something you should be addressing just let me know…

Thanks, ██████
