**Subject:** Artefacto Arrival

Hello Gregory

Jeffrey is going to give all of our old furniture to a friend of his, Eva. We are wondering on the timing of when we will get it out.

Will we keep the artifact= things for each apartment in storage until the respective 'dirty'=renovating work has been done in the apartment?

And as we are currently on 10B, can we get rid of the furniture that we no longer need ther=?

Thank you :)
