Subject:	JE arriving Nov. 22nd

JE just told me he plans to come to LSJ on Nov. 22nd. He asked that all =he construction at the main compound and flag pole pool be completed =efore this date as he does not want anything going on construction- =ise while he is there; he would like to be able to relax.
I don't know what major things are left to be done or are being worked =n right now. Does this seem doable?
