At least you did not make the biggest mistake of all...sitting in San Fran and open my handbag to find his wallet!!!!!!!!!!!!

Almost=threw up all over the table! And as I am sitting contemplating how we can =ake the hotel trips better and smoother. What a slap in the face!

Had to phone and tell him. Can imagine wasn't fun!<=div>

Have offered to fly to the ranch and deliver it...=br>

Hi girls,

Just something I noticed, the food items (yoghurt and milk) a=d our ice packs that [REDACTED] had unpacked in the fridge at the ritz where not =acked back in the food bag when we left. He was asking for his yoghurt lat=r in the day. Please always be sure to do a full check of the rooms when w= depart. I am sure you did, but the fridge is very easy to miss, especiall= when it is behind a closet door :)
