Hi Janusz

JE said yesterday we will probably leave the house at approximately 1pm today, but as we know it could change. It will be Karyna, [REDACTED] and myself.

[REDACTED] assistant said we should arrive at 1:45 to Signature flight support (tail #N343DF). (I know if we leave at 1 we will be early)

I have told her you will be driving us so that the FBO is aware.

Thank you
