Dear J [REDACTED]

This is a courtesy notice to advise that your basic voice plan minutes have been exhausted. As a result, you have incurred more than \$50 in unbilled voice overages and we recommend you review your account at your earliest convenience. Voice usage which surpasses your plan allowance and is not covered by calling features such as Rollover®, Night & Weekends, or Mobile to Mobile minutes, will bill at the overage rate associated with your plan.

As a valued customer, we would like to assist you to minimize a costly bill. As always, you can dial *MIN# (*646#) and receive a free text message with your current voice usage, or you can logon at www.att.com
<http://clicks.att.com/OCT/eTrac?EMAIL_ID=1332963457&finalURL=http://www.att.com/> to view your usage, manage your account or learn more about AT&T's voice plans.

Thank you,

AT&T
