I was thinking about this too. I'm totally confused as to what he wants. Com=letely. I don't even know what we're meant to talk to her about, let alone w=at we are inviting her over for. And what are you meant to ask Woody? I'm l=st over the whole thing. I think it would be better if you spoke to JE on t=e phone for him to explain rather these cryptic emails from him
