Hi Karyna

This is harder than I thought.,

The company I normally use is out of business recently., I'm having Meridean set up delivery for today, some companies will not deliv=r to NYC large boxes due to TSA issues, you have to have an established acc=unt., So Meridean is setting up delivery for us., They may only deliver to door man at 301, since it's one person doing delive=y, do you think Andrew can have 301 Maintenance people bring up to your apt= The box weighs 300lbs, that's not to terribly heavy for two guys to move., =20

Can you check with Andrew? The building superintendent.,

Let me know

Thx
Larry
