**Subject:** HI!

Hi! I hope you are both well. Lindsey and I met with with Penn today and I just wanted to let you know we discussed the following items for him to do this week.

Run cable from front hall closet to kitchen  
Paint small window trim in bedroom/white to match large window  
Install trim piece above window so we can put roller shade and curtain rod for panels. We will have our wallpaper installer over in wallcovering. This will enable us to have a large curtain rod with full panels.

Thanks,

Erin
