Hi! I hope you are both well. Lindsey and I met with =ith Penn today and I just wanted to let you know we discussed the followin= items for him to do this week.

- Run cable from front hall closet t= kitchen
- Paint small window trim in bedroom/white to match large window
- Install t=im piece above window so we can put roller shade and curtain rod for panel=. We will have our wallpaper installer cover in wallcovering. This will en=ble us to have a large curtain rod with full panels.

Thanks,

Erin
