Aha!!!! I anticipated this happening!!!

The 'shore=ine' sample did not come back to me from his trip to the ranch.

<=iv>When I saw him with the darker one I even questioned it as my gut was t=lling me without the two in front of him he would get confused.

I wish I had been kept in the loop as soon as he made the selection.</=iv> Larry shoreline says not stocked but they told me the availability=will be less than 2 weeks.

This was identified in my e-mail=to both JE and you on 8/11/2013.

Additionally, JE sent both you a=d I these two photo's on 8.10.13 (see attached) that clearly identify th= carpet as "shoreline".
