Great. I will set up lunch outside but if rains (rain forecast tomorrow) do you think he wants lunch set up in breakfast table which has more room in case Karyna [REDACTED] will be joining them.  
Also [REDACTED] are they coming on the big plane? If so can we "borrow" the silverware you asked Janusz to give to Larry?  
Thank you.

Joes opens at 7:30am, so you can go pretty early to pick everything up to be back in time for their 1:15pm arrival into PBI.  
[REDACTED] Jeffrey would like everything set up for lunch and ready when

You should probably be ready to add on a place setting for Woody and Soon-Yi's daughter and possibly Karyna [REDACTED]. (I will ask JE if wants everyone to join, or just the 5 of them) Janusz, after lunch, Jeffrey would then like you to drive Larry Summers and wife to Miami.
