Subject: Re: Items ordered/need to order

I'm concerned about movie room and chill too. was anything set up yet with TV and wireless HDMI? Jermaine emailed me asking what we need for that room; TV, DVD player, Apple TV. I don't know what we already have there. I know we have TV already, but DVD and Apple TV yet?

I am ordered some of each of the cosmetic items in JE's list to bring own so we have plenty stock; shampoos, body washes, scrubs, razors, weezers, etc.. basically his whole list to have on hand and I think heaper for me to order and bring down.

I'm not sure of who he's planning on bringing for Thanksgiving yet. I'd like to know as well!
