Larry-

Here's an updated quote with the discount applied that you had last time. The only other difference from your May 3rd quote is the difference in landing fees and charges associated with the W. 30th St. heliport versus those associated with the E. 34th St. heliport. They're itemized on the quote for your reference. Just return a signed copy of this quote along with the filled-out credit card authorization form and we're all set for Sunday.</p>

Best,

Hi Flight Ops,

last time we book this trip price was \$7450.00 any reason for the increase?

Freedom Air gets a 10% discount=per Marketing when we purchased our S76,. is this the difference?

thx

Larry Visoski
