Subject: Oval Office

Hey guys....Jeffrey just came and sat down in the Oval Office and was =ot happy with all the "Stuff" that was sitting around here...the items =n the floor as well as on the coffee table. He wants to keep this area =eat, tidy, clean, presentable for guests. This includes on my desk....

Lyn has taken all these 'things' and has placed them in [REDACTED] office so =ou can see everything...

Please, all packages and anything you are working on needs to be kept in =our offices or if they are packages or bags or large serving trays! =ha, cause one was in here) ..they need to be kept in Rich's office, =ojo's office or [REDACTED] office across the hall from the Oval Office...

Also, Lyn cleaned up the supply closet in the Oval Office as well...lets =ee how long we can keep it this way!

Thanks for understanding...
