Hi Lesley,  
He also mentioned before, that he w=nts us to have an electric razor with us as well, which I gave to everybody= Also some of us have all the items mentioned packed together in a cosmetic=bag, can we keep it that way, or a zip log bag is necessary?  
Thanks.

Jeffrey would like you all to make sure w=enever you are with him to always have Purell, toothpaste and a toothbrush f=r him. Just like he always wants his glasses to be with him, these items sh=uld be automatic as well. The small travel size toothpaste is perfect as we=l as the small size Purell. All should be kept in a zip lock baggie and the=toothbrush should have a little "cover". What kind of toothpaste does JE li=e? Does anyone have time today to go and purchase 12 each of Purell, t=avel size toothpaste, toothbrushes and toothbrush covers? You each ne=d your own Baggie with the 3 items to be kept in your purse. We will keep e=tras, ready to go in the Oval Office closet Please let me know if on= of you has time today because we will want you to have these items with yo= starting today. Thanks! Lesley
