Hi Marvin...any luck in contacting Diffie?

On Jan 24, 2013, at 4:22 PM, Marvin Minsky wrote:

Yes. Whitfield Diffie is co-inventor (with Martin Hellman) of the widely used Diffie-Hellman "public key" system. He lives somewhere near Stanford but comes here every few months. An excellent explanation. (I will ask him who is the best local expert.)

cryptology?

Hi Marvin...Jeffrey is asking if you might know of anyone interesting to meet in
