Hi Janus=

JE said yesterday we will probably leave the house at a=proximately 1pm today, but as we know it could change. It will be Karyna [REDACTED] and myself.

Evas assistant said we should arrive at 1:45 to Signature flight s=pport (tail #N343DF). (I know if we leave at 1 we will be early)

I have told her you will be driving us so that th= FBO is aware.

Thank you

=
